Pretty Little Psycho

Porcelain Black

Oh oh oh
Oh here we go
Walking talking like you know I want your pretty little psycho(Pretty little psycho)I'm ready to go
I'm taking chances
Sippin' lust from champagne glasses
Got to have you moving closer
I wont take no for an answer
Your looking crazy your looking wrong
It looks like we're gonna get along
Coz once I've got you it's a fact
Baby there's no turning backMake me make me impressed.
Make me make me obsessed.Oh oh oh
Oh here we go
Walking talking like you know I want your pretty little psycho
Oh oh oh
Oh here we go
Baby strike a pose I want your pretty little psychoPretty little pretty little pretty little psycho
Pretty little pretty little PRETTY LITTLE PSYCHOPretty little pretty little pretty little psycho
Pretty little pretty little PRETTY LITTLE PSYCHOBlack lipstick just like a cat
Have you purring on your back
Tip the glass now light it up
Rebel rebel can't get enough
Your looking crazy your looking wrong
We look like we belong
And once I've got you it's a fact baby there's no turning backMake me make me impressed.
Make me make me obsessed.Oh oh oh
Oh here we go
Walking talking like you know I want your pretty little psycho
