KIDZ BOP Kids

Lalala, lalala, lalalalala, ohhh, ohh, ohh
(You know, I never felt like this before)
Lalala, lalala, lalalalala, ohhh, ohh, ohh
(It just feels like something real) I'm obsessive when just one thought of you comes up
I'm aggressive with just one thought ain't close enough
You got me stressing, incessantly pressing the issue
The every moment gone you know I miss you I'm the question, of course the answer
Just hold me close boy 'cause I'm your tiny dancer
You make me shaken up, it's all mistaken
But I can't control myself, got me calling out for help S O S please someone help me
It's not healthy for me to feel this
Y O U are making this hard
I can't take it see it don't feel right S O S please someone help me
It's not healthy for me to feel this
Y O U are making this hard
I can't take it see it don't feel right This time please someone come and rescue me
'Cause you on my mind has got me losing it
I'm lost, you got me lookin' for the rest of me
Just testing me but I'm still losing it This time please someone come and rescue me
'Cause you on my mind has got me losing it
I'm lost, you got me looking for the rest of me
Got the best of me, so now I'm losing it Just your presence and I second guess my sanity
Yes, it's a lesson, it's unfair, you stole my vanity
My tummy's up in knots, and when I see ya it gets so hot
Common sense is out the door, can't seem to find the lock Take me, you know inside you feel it right
Take me, I'ma put the fire in your heart tonight
I melt with you, ya got me head over heels
Boy you keep me hanging on the way you make me feel S O S please someone help me
It's not healthy for me to feel this
Y O U are making this hard
I can't take it see it don't feel right S O S please someone help me
It's not healthy for me to feel this
Y O U are making this hard
I can't take it see it don't feel right This time please someone come and rescue me
'Cause you on my mind has got me losing it
I'm lost, you got me lookin' for the rest of me
Just testing me but I'm still losing it This time please someone come and rescue me
'Cause you on my mind has got me losing it
I'm lost you got me looking for the rest of me

Got the best of me, so now I'm losing it
Boy, you know you got me feeling open and
Boy, your love's enough with words unspoken
I said, boy, I'm telling you, you got me open
I don't know what to do it's true, I'm going crazy over you, I'm begging
This time please someone come and
rescue me
'Cause you on my mind has got me losing it
I'm lost, you got me lookin' for the rest of me
Got the best of me, so now I'm losing it
