

# Right Place, Wrong Time

Dr. John

I been in the right place but it must have been the wrong time  
I'd have said the right thing but I must have used the wrong line  
I been in the right trip but I must have used the wrong car  
My head was in a bad place and I'm wondering what it's good for  
I been in the right place but it must have been the wrong time  
My head was in a bad place but I'm having such a good time I been running trying to get hung up in my mind  
Got to give myself a good talking-to this time  
Just need a little brain salad surgery  
Got to cure my insecurity I been in the wrong place but it must have been the right time  
I been in the right place but it must have been the wrong song  
I been in the right vein but it seems like the wrong arm  
I been in the right world but it seems wrong wrong wrong wrong wrong Slipping dodging sneaking creeping  
hiding out down the street  
See me life shaking with every ho' I meet  
Refried confusion is making itself clear  
Wonder which way do I go to get on out of here
