

Love on a Two Way Street

[Stacy Lattisaw](#)

I found love on a two way street and lost it on a lonely highway
Love on a two way street and lost it on a lonely highway True love will never die, so I've been told, but now I
must cry
It's finally goodbye, I know With music softly playing, his lips were gently saying: I love you He held me in
desperation, I thought it was a revelation
And then he walked out How could I be so blind, to give up love for the very first time
To be fooled is a hurting pain, to be loved and fooled
Is a crying shame, while I bear the blame as he laughs my name With music softly playing, his lips were gently
saying: Honey, I love you.
He held me in desperation, I thought it was a revelation,
And then he walked out I found love on a two way street and lost it on a lonely highway
Love on a two way street and lost it on a lonely highway
I found love on a two way street and lost it on a lonely highway
Love on a two way street and lost it on a lonely highway
