

Cheap Thrills (feat. Rick Ross)

Gunplay

[Intro: Gunplay]

Yeah everybody hit me up, want me to walk to the club tonight

She told me bring some pills

I said cool

I'm finna slide, finna get dressed right now

Pick up that line, hoe[Hook: Rick Ross]

She want that Oxycontin flow, my Percocet pills

A touch of Cocaine, tell me how that feels

She want that Oxycontin flow, my Percocet pill

That Adderall is next, she'll love my cheap thrills

She want that Oxycontin flow, Percocet pill

A line of Cocaine, tell me how you feel

She want that Oxycontin flow, that Percocet pill

That Adderall is next, she'll love my cheap thrills

[Verse 1: Gunplay]

I drop 2 bars in my soda

I'm so composed when I swerve

She sprinkle blow in the doja

Told me it's between me and her

I got a dime in the basic, basically treat 'em like dirt

I'm gettin' chewed tryna steer

Hope no Police in my mirror

Hoe, I mean that sincere

She fuck with dope boys and swipers, she blow on both of my dices

I fell in love down her throat, then got, Ghost in the crisis

Already know how that go

But on a whole 'nother note

That money (?)

[Chorus: Rick Ross]

She want that Oxycontin flow, my Percocet pills

A line of Cocaine, tell me how you feel

She want that Oxycontin flow, my Percocet pill

That Adderall's next, she'll love my cheap thrills[Verse 2: Gunplay]

Double R's on the wheel, lady on the grill

Gave me chills, crack the seal

Pour the line, crazy, maybe

Brought a line, I brought a pill

Right now I feel high like I just said goodbye and turned the world

Still greezy, pissin' grease, a beast

I'll burn up all this fur
Watch lil gloss and disco lights, between the line of disco white
Blowin' on that Citgo pack, prayin' that this lick go right
I'm from the mud
Only mud, it ain't no Sprite
Double tap that thang, front and back like that hoe like [Chorus: Rick Ross]
She want that Oxycontin flow, my Percocet pills
A touch of Cocaine, tell me how that feel
She want that Oxycontin flow, my Percocet pill
That Adderall's next, she'll love my cheap thrills
She want that Oxycontin flow, Percocet pill
A line of Cocaine, tell me how you feel
She want that Oxycontin flow, the Percocet pill
The Adderall's next, she'll love my cheap thrills
She want that Oxycontin flow, Percocet pill
A line of Cocaine, tell me how you feel
She want that Oxycontin flow, the Percocet pill
The Adderall's next, she'll love my cheap thrills
She want that Oxycontin flow
