

# No Reason to Quit

**Merle Haggard & Willie Nelson**

There's a circle of people  
Where I'm no longer welcome  
And I'm ashamed to say  
That I'm no longer fit I could sober up tomorrow  
And face my friends again  
But I've got  
No reason to quit I've got no reason for living right  
And there's no other way to forget  
I know down deep inside me I'm man enough to change  
But I've got no reason to quit  
I've got no reason for living right  
And there's no other way to forget  
I could sober up tomorrow and face my friends again  
But I've got no reason to quit  
No, I've got no reason to quit
