Isaiah Gripper

Verse 1:

I love you.

With my hands formed you, made you who you are.

Don't be afraid trust in me.

All your fear. All your pain is mine to carry.

Listen to me.

Quiet your soul and listen.Chorus:

Be still my child.

Don't be afraid. Don't be afraid of what's ahead.

Don't fear. Don't fear I'm right here.

I'll guide you. I'll guide you by your side.Verse 2:

I'll never leave you. I'll never lose you.

Wherever you go. Wherever you walk I'm there, with you, inside you, by your side.

Every tear, every pray, every cry I hear because I love you.

I'm your Father. Trust in me.

Quiet your soul and listen.Chorus:

Be still my child.

Don't be afraid. Don't be afraid of what's ahead.

Don't fear. Don't fear I'm right here.

I'll guide you. I'll guide you by your side.
