

Let's Go

Lil Rob

It's a Sunday night and it's alright
I had such a good today
I feel good i'm feeling fine
I love it when I feel this way
I say, it's a Sunday night and it's alright
I had such a good day today
I feel good I'm feelin' fine
I wish everyone could feel this way
(Let's go, go, go, go)

(Verse 1)

I'm sittin' in my four corner room in mi canto
And I'm kickin' it hard and I'm talking on the telephone
(Hey what's up mija what's the plan for tonight
Is it alright if I pick you up around 5:45)
In my '39 (let's go)
Of course I'll slam it down so you don't put
Your heels on my running board
Baby doll you're lookin', talkin' sweet as candy
Look at me, can't you see you make me happy
So happy, and thats for real though
Any man would love to share your pillow
But you can't wait to see me and I can't wait to see you
Check myself in the mirror and I see one lucky dude
And when they look at you you see one lucky woman
The smile on my face should let them know just how I'm doin'
And we're just cruising ain't no place I'd rather be
Than with my lady sitting next to me

Baby don't you wanna come kick it with me (don't you wanna, wanna)
And we can let it roll till the wheels fall off, fall off
And you won't ever want it to stop
Because my Chevy so low and its missing the top
So let's go. Come on, come on, come on, come on (go)
We can go wherever you want, you want, you want
Wherever you want girl. Get it, get it, get it, get it (yeah)
Let me show you what I'm about (let's go, go, go, go)

(Verse 2)

I see my home boy pullin' up at the liquor store (what's up ey)
I kicked it to the floor. He got a clean ass '54
He's got his hyna sittin' shotgun.
Another homie of mine is sittin' in back And he ain't got one
and he don't want one, he's just along for the cruise.
He said, "Sometimes you win it, sometimes you lose.
I never been a sucker or love but when it comes to getting down
I'm down for givin' 'em up". We hit the bully like a bully in the bomba.
I mean we're lookin' mean, i mean so fresh and so clean.
We hit the scene and then we bounce out
But park my ride so me and my lady can make out.
Hugs and kisses that are oh so delicious and exquisite and nonfictitious.
What is it? Its Sunday night and ain't no place I'd rather be
Than in my ride with my lady sitting next to me.

Baby don't you wanna come kick it with me (don't you wanna, wanna)
We can let it roll till the wheels fall off, fall off
And you won't ever wanna stop
Because my Chevy so low and its missing the top
So let's go. Come on, come on, come on, come on (go)
We can go wherever you want, you want, you want.
(Wherever you want girl). Get it, get it, get it, get it (yeah)
Let me show you what I'm about (let's go, go, go, go)

Its Sunday night and it's alright
I had such a good day today (eh, eh, eh, eh)
I feel good, I'm feelin, fine
I love it when I feel this way (so let's go)
I say its Sunday night and its alright
I had such a good day today (so come on gir-r-rl)
I feel good I'm feelin' fine
I wish everyone could feel this way
(Let's go, go, go, go)

(Verse 3)

The feeling's right and the moon's shining bright
I never seen the moon shine as bright as tonight
The sparkle in my ride don't compare to the sparkle in your eyes
It's so fine (so fine) let's take it back to the pad (let's go)
For a couple drinks and have ourselves a night cast
'Cause really there ain't no place I'd rather be
Than laying up in my cama with my lady laying next to me

Baby don't you wanna come kick it with me (don't you wanna, wanna)
We can let it roll till the wheels fall off, fall off

And you won't ever want it to stop
Because my Chevy so low and it's missing the top
So let's go. Come on, come on, come on, come on (go)
We can go wherever you want, you want, you want
(Wherever you want girl). Get it, get it, get it, get it (yeah)
Let me show you what I'm about let's go, go, go, go

Come on, come on, come on, come on
We can go wherever you want, you want, you want
Get it, get it, get it, get it Let me show you what I'm about girl
Let's go. Come on, come on, come on, come on (on)
We can go wherever you want, you want, you want (come on girl)
Get it, get it, get it, get it. Let me show you what I'm about
Let's go, go, go, go..
