

For You Baby

Robyn Ludwick

I wonâ€™t cry for you baby
I wonâ€™t lie for you baby
I wonâ€™t try anymore for you baby
Iâ€™m gonna miss your love

I wonâ€™t cry
No, no now baby
I wonâ€™t survive on just your love now baby
And I wonâ€™t hide behind your love now baby
Iâ€™m gonna miss your love

I donâ€™t know why you donâ€™t wanna love me
You leave me alone
Oh now baby

Leavingâ€™ me comin' to pieces
And now youâ€™re nothin' but gone
Oh now baby

I wonâ€™t cry for you baby
I wonâ€™t lie for you baby
I wonâ€™t try anymore for you baby
Iâ€™m gonna miss your love

Iâ€™m gonna miss your love

Iâ€™m gonna miss your love
