

Stay With Me Tonight

Shirley Murdock

Oh... oh... oh... ho...I know that you have business, dear
But tonight I need you here
Forget what you have to do
I need youLet the phone just ring and ring
It really doest mean a thing
Tonight you only need to be
Here with me
So Im beggingDarling, please dont leave (Whoa... oh... ho...)
Stay and meet my needs (Meet my need)
Darling, please dont leave me
Stay with me tonight
Darling, please dont leave (Dont leave)
Stay and meet my needs (Meet my need)
Darling, please dont leave me
Stay with me tonight (Stay with me tonight)Stay with me tonight (Please stay)
Stay with me tonightDont want to be a selfish girl
But tonight you are my world
I will never make it through
Without youLook at the fire, it glows
Warming as the chilled winds blow
Dont make business make me weep
It will keep
So Im begging
Darling, please dont leave (Dont leave)
Stay and meet my needs (Meet my need)
Darling, please dont leave me
Oh, stay with me tonightDarling, please dont leave (Please)
Stay and meet my needs (Meet my need)
Darling, please dont leave me (Oh, ho, ho)
Stay with me tonight (Stay with me tonight)Stay with me tonight (Please stay)
Stay with me tonightI'll bring you your tan house shoes
Let soft music set the mood, mmm
Cuddle up next to you
Like I doIf they ask what kept you here
Smile and say, My sweet dear
I found she had a special need
She needed me
She was beggingDarling, please dont leave (She said, no, no, no, no, dont go)
Stay and meet my needs (Meet my need)

Darling, please don't leave me
Oh, just stay with me, lay with me, hold me in your arms Darling, please don't leave
Stay and meet my needs (Ooh)
Darling, please don't leave me (Don
