

# Hit the Floor

## Bullet for My Valentine

I see you walking home alone  
Your face is alive and bright  
But you can't see how weak you are  
'Cause I could end it tonight It's the feeling you get when you think  
That someone behind is watching you  
Well, I can tell you now that someone is me  
And I'm about to make it right Why do you take it all? Why do I beg for more?  
I never thought that this is how I'd hit the floor  
Why do you take it all? Why do I beg for more?  
I never thought that this is how I'd hit the floor I creep up from behind, touch your neck  
Move down your spine  
You take a look and breathe so sharp  
Just a matter of time Don't scream, I ask of you but then you let one out  
So now it's time to go  
I come down on you like a ton of bricks  
All over so it's time to go Why do you take it all? Why do I beg for more?  
I never thought that this is how I'd hit the floor  
Why do you take it all? Why do I beg for more?  
I never thought that this is how I'd hit the floor, hit the floor Why do you take it all? Why do I beg for more?  
I never thought that this is how I'd hit the floor  
Why do you take it all? Why do I beg for more?  
I never thought that this is how I'd hit the floor Take this for me, I don't wanna hurt you  
Take this for me, I don't wanna hurt you
