Eric Bellinger

I'm tryna talk to you but the music too loud
Girl I know a quiet place where we can vibe out
I ain't like your ex, you can let your guard down
Tell your girls your with a real one, so they can calm down
Oh yeah, they can calm down
They saying I'm the nigga, that's the word around town
Oh yeah that's the word around town
If you didn't know before then I bet you know nowBaby you got everything that a nigga want
I just wanna put you on
And I just wanna see you with them Vicky's on
Better yet, with them offOh let's ride out
(You got everything that a nigga want)
Oh let's ride out
(You got everything that a nigga want)
Yeah, I got the car outside if you ready
(If you with it)
Only if you ready
Tell them valet niggas go and get it
(Go and get it)
Only if you ready
(Oh she ready)Tell the valet go and get it
From the ZooGang, I'm wanted in Venice
Got a bad ass honey in Venice
And this beat so hard, you gotta feel it
I just fell in love with the west side
Come get high, let me take you on a jet ride
If you ready, I can show you what the set like
You so fine, swear I see you with my left eyeBaby you got everything that a nigga want
I just wanna put you on
And I just wanna see you with them Vicky's on
Better yet, with them offOh let's ride out
(You got everything that a nigga want)
Oh let's ride out
(You got everything that a nigga want)
Yeah, I got the car outside if you ready (car outside if you ready)
Only if you ready
Tell them valet niggas go and get it
(Go and get it)
Only if you ready

(Oh she ready yeah)I'm the type to send you to the spa
Same time try you in a car
I'm the type to pull up in valet
Pay a door to park a quarter million dollar car
Jumped in the whip and I growed
She went from the pole to the floor
It ain't no stressin', you know I'm a blessin'
She'll get a real nigga a warrant, I should
I do her, no brake fluid
Everything a G, oh the way I run through it
You like when I spoon, yeah make you sleep good
And then I pull it out and I make you talk to it talk to 'emOh let's ride out
(You got everything that a nigga want)
Oh let's ride out
(You got everything that a nigga want)
Yeah, I got the car outside if you ready (if you with it)
Only if you ready
Tell them valet niggas go and get it
Only if you ready (oh she ready) yeah(You got everything that a nigga want) Yeah
(You got everything that a nigga want) Yeah ohAll the way from New Jersey, here to LA
