## Say

## **Lo-Pro**

Say
That you'll wait for me
I'll come running back to you
As fast as I canSay
That you'll pray for me
I'm lost in this world
I'm calling out to youSay
That you'll live for me
I'm out of this world
I don't know what to doSay
That there's hope for me
I'm through with this worldAnd all I have is you!
And all I have is you!
And all I have is you!
