English

Whenever I see you,
Whenever you smile for me
Little by little,
My feelings for you grew When I think of you now,
When I picture you,
my beating heart doesn't know how to stop I can't hide my feelings anymore
I want to give it all to you I'm always close to you (next to you)
Can't I love you?
This heart that wants to protect you more than anyone else,
Can you accept it? To be the one that's in your heart (in your heart),
Can't I be that?
To be the most important person in your life,
Is what I want to be,
so quickly take my heart. everyday, because of my growing love for you
For the entire day,
I really can't do anything at all. Now it's no secret
that my heart is filled with love for you I'm always close to you (next to you)
Can't I love you?
This heart that wants to protect you more than anyone else,
Can you accept it? To be the one that's in your heart (in your heart),
Can't I be that?
To be the most important person in your life,
Is what I want to be,
so quickly take my heart. Please tell me now
that you know how I feel I'm always close to you (next to you)
Can't I love you?
This heart that wants to protect you more than anyone else,
Can you accept it? To be the one that's in your heart (in your heart),
Can't I be that?
To be the most important person in your life,
Is what I want to be,
so quickly take my heart. Please understand my heart
