

# The Music Goes 'Round and Round

## The Boswell Sisters

I blow thru here  
The music goes round and round  
Whoa-dee-ho-ho-dee-ho  
And it comes out here I push the first valve down  
The music goes down and round  
Whoa-dee-ho-ho-dee-ho  
And it comes out here I push the middle valve down  
The music goes down and round below  
Below, below, below, below  
(Everybody) Listen to the jazz come out I push the other valve down  
The music goes round and round  
Whoa-dee-ho-ho-dee-ho  
And it comes out here  
Mr. trompetman go to town  
[solo]  
Pour trombone to it  
[solo]  
Listen to the jazz come out  
Swing it guittar, swing it  
[solo] I blow thru here  
The music goes round and round  
Whoa-dee-ho-ho-dee-ho  
The music goes down  
The music goes round  
The music goes down, round  
And it comes out here I push the first valve down  
The music goes down and round  
Whoa-dee-ho-ho-dee-ho  
...  
I push the middle valve down  
The music goes round, round, round, round, round  
Listen to the jazz come out I push the other valve down  
The music goes round and round  
Whoa-dee-ho-ho-dee-ho  
And it comes out here
