

# One Foot Out The Door

[Mike Posner](#)

(get familiar)  
(one foot out the door)x2  
Oh Lord  
I've got one foot out the door  
Everybody seems so sure  
I'm gonna lose my way  
Because they were the ones to put the keys in the lock  
Then I can't stop no more

I can't feel my face  
I'ma keep walking forward  
'Till the day I turn around  
And walk back in the scene  
As I did when we came before  
Oh Lord  
'Cause you know I've got one foot out the door  
(one foot out the door)x2
