

Safe (Canon Song)

[Chris Squire](#)

When your saviour lets you down

Who will mind

When your lover turns around

You will find

Joy in the morning

Love in the stars

Peace and understanding

Standing right beside you when you're walking down the street

Walk in time

Standing beside you

To shelter your hearts

Like a ship in a harbour

Blown in by the storms that surround us and you will be

Safely where

Nothing can ground us and you will be

Safe with me

When you face the doors of doubt

Have no fear

When the changes come about

I'll be near

I'll be waiting beside you

To shelter your hearts

Like a ship in a harbour

Blown in by the storms that surround us and you will be

Safe with me
