

Don't Worry (feat. Ray Dalton)

Madcon

Ooh we can own the night don't worry 'bout a thing
 Don't worry 'bout a thing
 Don't worry 'bout a thingOoh we can own the night don't worry 'bout a thing
 Don't worry 'bout a thing
 Don't worry 'bout a thingI know we'll be alright don't worry 'bout a thing
 Don't worry 'bout a thing
 Don't worry 'bout a thingI'll take you to the future
 Forget about the past
 You can keep all of your secrets
 I swear that I won't ask
 Let go of all your troubles,
 I don't care where you've been
 The only thing that matters now
 Is where the night will endThem bright big lights are shining on us
 That beat so tight it makes you wanna
 Get up get down like there's no tomorrow
 Like there's no tomorrow
 Like there's no tomorrowOoh we can own the night don't worry 'bout a thing
 Don't worry 'bout a thing
 Don't worry 'bout a thingI know we'll be alright don't worry 'bout a thing
 Don't worry 'bout a thing
 Don't worry 'bout a thing (c'mon)Ooh we can own the night don't worry 'bout a thing
 Don't worry 'bout a thing
 Don't worry 'bout a thingLet's get down to business
 And show me what you got
 Just keep the record spinning
 The music never stops
 You wanna live forever
 And reach above the stars
 Let's take it to next level
 Just light the space ship upThem bright big lights are shining on us
 That beat so tight it makes you wanna
 Get up get down like there's no tomorrow
 Like there's no tomorrow
 Like there's no tomorrowOoh we can own the night don't worry 'bout a thing
 Don't worry 'bout a thing
 Don't worry 'bout a thingI know we'll be alright don't worry 'bout a thing
 Don't worry 'bout a thing
 Don't worry 'bout a thing (c'mon)Ooh we can own the night don't worry 'bout a thing

Don't worry 'bout a thing
Don't worry 'bout a thing Yeah on the rooftop
Surrounded by the stars and the views hot
Ain't nobody thinking 'bout what you got
Everything's ours, wanna dip? Get a new spot
Yeah, don't worry, don't worry
The night never ends, no hurry no hurry
Shorty look thick and the lines get blurry
And the nights in your palm so we might get dirty
DJ, let the beat play, make a heat wave, when you replay this
Tonight we gone party like its d-day
Young and free saying this the one on my CK shit
The Moon is the light, sky is the ceiling
The low is the base and the high is the feeling
The world is the club, all in cause we can
This' one for the books don't worry bout a thang Ooh we can own the night don't worry 'bout a thing
Don't worry 'bout a thing
Don't worry 'bout a thing (I got you) I know we'll be alright don't worry 'bout a thing
Don't worry 'bout a thing
Don't worry 'bout a thing Don't worry 'bout a thing
Don't worry 'bout a thing
(C'mon!) Ooh we can own the night don't worry 'bout a thing
Don't worry 'bout a thing
Don't worry 'bout a thing
