

The Worst Hangover

Nicole Atkins

i took a shot with paul at 5:09
jumped trough the tunnel to the other side
the scenes remember these things all too well
just paint my memory on the carouselround and roundoperator, operator
give number 9-1-1
im dying
operator, operator
give me number 9-1-1
i'm dying
i'm dying
i'm dying
i'm dyingyou never think I'm as bad as i do
now get out with the old cry at the news
it's a lush life out on broken shells
just paint my memory on the carouselround and roundoperator, operator
give me number 9-1-1
i'm dying
operator, operator
give me number 9-1-1
i'm dying
i'm dying
i'm dying
i'm dyingOooooohDon't keep me waiting on the telephone
Don't keep me waiting on the telephone
Don't keep me waiting on the telephone
Don't keep me waiting on the telephone
Don't keep me waiting on the telephone
Don't keep me waiting on the telephoneOperator, operator
give me number 911
i'm dying
operator, operator
give me number 911
i'm dying
i'm dying
i'm dying
i'm dying
i'm dying
i'm dying
i'm dying

i'm dying
i'm dying
i'm dying
i'm dying
