

Pony Boy

[Bruce Springsteen](#)

Pony boy pony boy
Won't you be my pony boy
Giddy-up giddy-up giddy-up whoa
My pony boy Ride with me ride with me
Won't you take a ride with me
Underneath the starry sky
My pony boy O'er the hills and through the trees
We'll go ridin' you and me
Giddy-up giddy-up giddy-away
My pony boy Down into the valley deep
'Neath the eaves we will sleep
Sky of dreams up above
My pony boy
