

# Played

## Pomeroy

Why you talking all that talk  
Who you trying to impress  
Think you better check your style  
That might have worked before  
But I ain't having it

Show me that you got the touch  
Hear the words that I don't say  
Gotta read between the lines  
You gotta learn this song

'Cause I wanna be played like a sweet guitar  
Played like a slow jam in the dark  
Gotta find the groove  
You know what to do to get to me  
I wanna be played like a violin  
Make the strings talk with your finger tips  
Never go to fast  
Gotta understand  
The way I need too be played

It's not about the way you roll  
Your making it too obvious  
Try to be original  
You gotta learn me  
Don't be in such a rush

I can be your symphony  
Listen to me all night long  
If you give me what I need  
I could be your favorite song

I wanna be played like a sweet guitar  
Played like a slow jam in the dark  
Gotta find the groove  
You know what to do to get to me  
I wanna be played like a violin  
Make the strings talk with your finger tips  
Never go to fast  
Gotta understand

The way I need too be played

You make it just like that  
Come on do it again  
We're going to get this right  
Even if it takes all night

Do you feel me?  
That's right  
Take it nice and slow

I wanna be played like a sweet guitar  
Played like a slow jam in the dark  
Gotta find the groove  
You know what to do to get to me  
I wanna be played like a violin  
Make the strings talk with your finger tips  
Never go to fast  
Gotta understand  
The way I need too be played

Played like a sweet guitar  
Played like a slow jam in the dark  
Gotta find the groove  
You know what to do to get to me  
I wanna be played  
Like a violin  
Make the string talk with your finger tips
