

Scorn (demo)

In Flames

I parish and nobody will know
As my mouth remains still
My heart awaits me. filled with gravel
As the pain grows with each touch Since I marked her out from my tower
Reality focused through forbidden lenses
She owns enough of preciousness
A penalty given by the source But I still have no choice through
The hinderens freighten
A labyrinth closing at the edge of space But they never allow
She's shut...for all beings but one
I give, I scorn, I threat
