(The way you move)

You make me lose

(You make me lose)

All control

(All control)

I know you know

(I know you know)You're so seductive, you make me wanna touch it

I ain't got to tell you, you know I wanna fuck you

I'm feelin' your style, you better watch me now

My tongue'll be in your mouth, my hands'll be in your blouseWhen you get me aroused you put a spell on me

Man, if I can't have you I'ma go crazy

I want you bad now and if you want me

Girl, come to me now, I said come to me nowCome to me now? You gon' come to me now?

Apple in your mouth, tackled on the couch

Shackled in the house, I'll be back in about

Twenty minutes or less wit' my Hannibal maskAnd when you wiggle around and giggle in that cage

I know I couldn't wait to get you off that stage

From the moment I met you had to let you know

I just wanted to get you through my bedroom doYou makin' me feel like I'm in middle school still

You squeal like a little girl you pitiful, chill

We gon' fuck, I just popped this little blue pill

You can leave but wait, I gotta shit on you stillI shouldn't have to tell you, shorty, you should know

I hope you really gettin' into my creep show

Let me shit on your chest and if some pee comes out

Just guzzle it down, just guzzle it downOn your mark, get set, girl, now here we go

Racin' off to see your peep show

It turn me on to see you on the flo'

When you breakin' it down, keep breakin' it downReady or not, shorty, now here I come

Shake that thing, girl, now back it up

Work it, work it, girl, you turn me on

When you breakin' it down, keep breakin' it downIt's not my fault

It's not my fault, I can break it down

It's not my fault

It's not my fault, can you break it down?It's not my fault

It's not my fault, I can break it down

It's not my fault

It's not my fault, can you break it down?It's not my fault
