We Are Never Ever Getting Back Together

Megan Nicole

I remember when we broke up the first time
Saying this is it, I've had enough, 'cause like
We haven't seen each other in a month
When you, said you, needed space, what?Then you come around again and say
Baby, I miss you and I swear I'm gonna change
Trust me, remember how that lasted for a day
I say, I hate you, we break up, you call me, I love youOoh we called it off again last night
But ooh, this time I'm telling you, I'm telling you
We are never ever ever ever getting back together
We are never ever ever ever getting back together
You go talk to your friends talk
And my friends talk to me
But we are never ever ever ever getting back togetherLike everI'm really gonna miss you picking fights
And me, falling for it screaming that I'm right
And you, will hide away and find your piece of mine
With some indie record that's much cooler than mineOoh you called me up again tonight
But ooh, this time I'm telling you, I'm telling you
We are never ever ever ever getting back together
We are never ever ever ever getting back together
You go talk to your friends talk
And my friends talk to me
But we are never ever ever ever getting back togetherI used to think, that we, were forever ever ever
And I used to say never say never
Uggg..., he calls me up and he's like, I still love you
And I'm like, I'm just, I mean this is exhausting, you know
We are never getting back together, like everWe are never ever ever ever getting back together
We are never ever ever ever getting back together
You go talk to your friends talk
And my friends talk to me
But we are never ever ever ever getting back togetherWe, ooh, ooh, not back together, we
Oh, getting back togetherYou go talk to your friends talk
And my friends talk to me
But we are never ever ever ever getting back together
