

# Innocent

## Stellar Kart

Im overdressed for success  
In a world that has no shame  
Ive had enough of seeing love  
Being played like some gameI know why the good old days are gone  
'Cause everyone just tolerates what's wrong  
And Im not some empty space for rentI wanna be innocent  
Yours wholeheartedly  
Innocent every part of me  
Take me back so I can see  
Way that love was meant to beBoys and girls, the real world  
Is one thats filled with consequence  
And all the lies they glamorize  
Its a life thats brokenI see why the good old days are gone  
Every time I turn my TV on  
And whats wrong with being differentI wanna be innocent  
Yours wholeheartedly  
Innocent every part of me  
Take me back so I can see  
Way that love was meant to beBuried underneath this avalanche  
You are my hope and second chance  
Dont let my heart get awayInnocent  
Yours wholeheartedly  
Innocent every part of me  
Take me back so I can see  
Way that love was meant to beInnocent  
Yours wholeheartedly  
Innocent every part of me  
Take me back so I can see  
Way that love was meant to be
