

It's So Hard

ZZ Top

When the light comes and you're feelin' down
'Cause your baby's out there somewhere runnin' 'round
Don't start feelin' blue an' feelin' lonely too
It's hard I know when that love ain't true So if you feel like cryin', go ahead an' cry
A heartbreak will cool as time goes by And it's so hard, baby, it's so hard to take You just can't explain but you
know it's there
That empty feelin' seems so unfair
What can you do? When it's gone, it's gone
'Cause those lovin' feelings seem to hurt so long So if you feel like cryin', go ahead an' cry
A heartbreak will cool as time goes by It's so hard, baby, it's so hard to take
It's so hard baby, it's so hard to take Well, you work so long every day and night
Tryin' every thing that seems so right
But when a love falls, a heart must break
An' it's so hard, baby, it's so hard to take So if you feel like cryin', go ahead an' cry
A heartbreak will cool as time goes by An' it's so hard, baby, it's so hard, baby
It's so hard, baby, an' it's so hard to take It's gonna hurt you, baby
