Maybe She Will

Greg Graffin

Maybe she will, maybe she won'tShe don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonightShe won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonightLipstick, hair weaves, and toe nails
A hotel lobby full of females
And though I can't give you all the details
I still rememberSome particular shorty on a certain night
She was specifically standing over to my right
She's ghetto fabulous, and I'm sure
If I tried to take her home with me she'd sayShe don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonightShe won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonightShe wants my hotel room number
To my jacuzzi suite with the mini bar
She wants to live like a superstar
For just one night soShes showing me her ta-tas in the limousine
And then she turn around and had the nerve to say to me
She don't wanna do what she'll regret in the morning
So what am I to do?She don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonightShe won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonightShe don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonightShe won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonightMaybe she won't, maybe I will
Maybe she won't, maybe I will, I will, I will
Maybe she won't, maybe I will

But I know you will, I know I will, tell me whyShe don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonightShe won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonightShe don't kiss on the first date
She won't have sex if you don't wait
