

Maybe She Will

Greg Graffin

Maybe she will, maybe she won't
She don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonight
She won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonight
Lipstick, hair weaves, and toe nails
A hotel lobby full of females
And though I can't give you all the details
I still remember
Some particular shorty on a certain night
She was specifically standing over to my right
She's ghetto fabulous, and I'm sure
If I tried to take her home with me she'd say
She don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonight
She won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonight
She wants my hotel room number
To my jacuzzi suite with the mini bar
She wants to live like a superstar
For just one night so
She's showing me her ta-tas in the limousine
And then she turn around and had the nerve to say to me
She don't wanna do what she'll regret in the morning
So what am I to do?
She don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonight
She won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonight
She don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonight
She won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonight
Maybe she won't, maybe I will
Maybe she won't, maybe I will, I will, I will
Maybe she won't, maybe I will

But I know you will, I know I will, tell me whyShe don't kiss on the first date

She won't have sex if you don't wait

I don't believe it so I gotta try, she don't, she won't

But maybe she will tonightShe won't let you near the kit-kat

She don't give head, said she ain't like that

I've heard it all but I gotta try, she don't, she won't

But maybe she will tonightShe don't kiss on the first date

She won't have sex if you don't wait
