Maybe She Will

Greg Graffin

Maybe she will, maybe she won'tShe don't kiss on the first date She won't have sex if you don't wait I don't believe it so I gotta try, she don't, she won't But maybe she will tonightShe won't let you near the kit-kat She don't give head, said she ain't like that I've heard it all but I gotta try, she don't, she won't But maybe she will tonightLipstick, hair weaves, and toe nails A hotel lobby full of females And though I can't give you all the details I still rememberSome particular shorty on a certain night She was specifically standing over to my right She's ghetto fabulous, and I'm sure If I tried to take her home with me she'd sayShe don't kiss on the first date She won't have sex if you don't wait I don't believe it so I gotta try, she don't, she won't But maybe she will tonightShe won't let you near the kit-kat She don't give head, said she ain't like that I've heard it all but I gotta try, she don't, she won't But maybe she will tonightShe wants my hotel room number To my jacuzzi suite with the mini bar She wants to live like a superstar For just one night soShes showing me her ta-tas in the limousine And then she turn around and had the nerve to say to me She don't wanna do what she'll regret in the morning So what am I to do? She don't kiss on the first date She won't have sex if you don't wait I don't believe it so I gotta try, she don't, she won't But maybe she will tonightShe won't let you near the kit-kat She don't give head, said she ain't like that I've heard it all but I gotta try, she don't, she won't But maybe she will tonightShe don't kiss on the first date She won't have sex if you don't wait I don't believe it so I gotta try, she don't, she won't But maybe she will tonightShe won't let you near the kit-kat She don't give head, said she ain't like that I've heard it all but I gotta try, she don't, she won't But maybe she will tonightMaybe she won't, maybe I will Maybe she won't, maybe I will, I will, I will Maybe she won't, maybe I will

But I know you will, I know I will, tell me whyShe don't kiss on the first date
She won't have sex if you don't wait
I don't believe it so I gotta try, she don't, she won't
But maybe she will tonightShe won't let you near the kit-kat
She don't give head, said she ain't like that
I've heard it all but I gotta try, she don't, she won't
But maybe she will tonightShe don't kiss on the first date
She won't have sex if you don't wait
