

Now and Forever

Carole King

Now and Forever
You are a part of me
And the memory cuts like a knife

Didn't we find ecstasy
Didn't we share the daylight.
When you walked into my life.

Now and Forever
i'll remember
all the promises still unbroken
And think about all the words between us
that never needed to be spoken

we had a moment
just one moment
that will last beyond a dream, beyond a lifetime.

we are the lucky ones.
some people never get to do.
oh, we got to do

now and forever
i will always think of you.

didn't we come together?
didn't we live together?
didn't we cry together?
didn't we play together?
didn't we love together?
and together we lit up the world.

i miss the tears
i miss the laughter
i miss the day we met
and all that followed after.

sometimes i wish i could always be with you
the way we used to
oh, now and forever

i will always think of you
now and forever
i will always be with you.
