

# Boy At A Bus Stop

## The Bicycle Thief

Hope you don't mind  
If I just sit here a while  
Well, I've been off the beaten track  
For a long, long time Don't know if I was misled  
And just got lost  
But I know nothing's ever  
Never gonna be okay again, no how 'Cause everything is just closing in  
Well, I don't know that I have one single friend  
Not one single friend My mom thinks I need religion  
I think I need a shower and something to eat  
Can I bum another cigarette?  
And thanks for the listening to me You know I don't like to steal  
But I've got needs  
And I know nothing's ever  
Never gonna be okay again, no how 'Cause everything is just closing in  
I don't know that I have one single friend  
Not one single friend Not one single friend  
Not one single friend  
Not one single friend
