

# Hell to Pay

## Paul McCartney

First you take me to the limit then expect me to stop.  
You know I'm sick and tired of waiting for the penny to drop.  
You make a living out of making people think you give it all away.  
But you and I know very well there's always going to be a price to pay.  
But times are tough, and life is hard.  
You've got enough.  
And so you'll pardon me for saying:  
You've had it all your way.  
You've got to know someday.  
You'll have to share or there'll be hell to pay.  
There will be hell to pay.  
There will be hell to pay.  
There will be hell to pay.  
There's gonna be hell to pay.  
Do do do do do do do do, do do do do do do.  
x2  
There's gonna be,  
There's gonna be,  
There's gonna be hell to pay!  
x3
