

Beyond Redemption

Him

I see your scars
I know where they're from
So sensually carved and bleeding
Until you're dead and gone
I've seen it all before
Beauty and splendor torn
It's when heaven turns to black
And hell to white
Right so wrong and wrong so right
Feel it turning your heart into stone
Feel it piercing your courageous soul
You're beyond now- redemption
And no one's going to catch you when you fall
I see you crawl
You can barely walk
And arms wide open
You keep on begging for more
I've been there before
Knocking on the same door
It's when hate turns to love
And love to hate
Faith to doubt and doubt to faith
