

All I Ask Of You (TRYPT Remix)

Skrillex

In comes the dawn,
I've fallen asleep with my head pressed against your flaws,
All my love,
And something got in the way,
And your soul turned black as the sun grows somber,
Took my heart, and my love (and my love) All I ask of you (all I ask of you) Just open up a little bit more
Just open up a little bit more
(Just open up a little bit more) All I ask of you
All I ask of you
Just open up a little bit more
Just open up a little bit more
(Just open up a little bit more)
(Just open up a little bit more) Just open up a little bit more (Just open up a little bit more) Just open up a little bit
more
Just open up a little bit more (All I ask of you)
