

# Mother Earth

## Banks

I'm the water, consuming all my kindness for altaration  
And Momma ain't lying for her daughter  
Oh, I know on mother earth I see the weatherSo I'm not gonna cover up the freckles on my faces  
I, I covered all the basesFollow me to my bed  
'Cause every time you fall, I'll be holdin' your head up  
And when will you get tired of feeling bad?  
And every time you fall, fall on me  
Follow me to my bed  
'Cause every time you fall, I'll be holdin' your head up  
And when will you get tired of feeling bad?  
And every time you fall, fall on meHe's so hollow  
Well, baby, made him blind until he wasted fate  
So I'm left behind until he curse my sorrow  
But I know on mother earth I see the weatherSo I won't let you burden in all my safest places  
I, I covered all the basesFollow me to my bed  
'Cause every time you fall, I'll be holdin' your head up  
And when will you get tired of feeling bad?  
And every time you fall, fall on me  
Follow me to my bed  
'Cause every time you fall, I'll be holdin' your head up  
And when will you get tired of feeling bad?  
And every time you fall, fall on me
