

# See Thru You (The Cinque Cento Remix)

## Flunk

Everybody loves the way, they do  
Oh, everybody cares a lot, they do  
Everybody knows our love will do  
And they'll see through youEverybody loves the way, they do  
Oh, everybody cares a lot, they do  
Oh, everybody knows our love will do  
And they'll see through youNo one ever knows how I love you  
No one ever feels like I feel you  
Oh, no one understands the way you do  
And I'll see through youOh, no one ever knows how I love you  
No one ever feels like I feel you  
Oh, no one understands the way you do  
I'll see through youEverybody loves the way, they do  
Oh, everybody cares a lot, they do  
Everybody knows our love will do  
And they'll see through youNo one ever knows how I love you  
No one ever feels like I feel you  
Oh, everybody knows, and they'll see...  
see through you
