Thinkin' 'bout Love

Karyn White

Thinkin' about your love and it feels so good
Thinkin' 'bout love
I been tearin' up daisies all afternoon
Does he love me or not, am I asking too soon?
When the phone rings I answer hoping it's you
No I don't wanna sound desperate but if I do
Don't judge me if what I say sounds funny 'cause
I'm thinkin' 'bout love
Each night I hold my pillow tight
I'm thinkin' 'bout love
I'm cravin' your body close to mine
I'm thinkin' 'bout love
It doesn't matter what I do
I'm thinkin' 'bout love
'Cause all I think about is you
Thinkin' 'bout love
I control my emotions the best that I can
But I never felt this way about any man
Yeah, I close my eyes and daydream
I'm thinkin' 'bout what may happen
When we get together, my heart is beating
I can't wait to get your good lovin'
So don't judge me if what I say sounds funny 'cause
I'm thinkin' 'bout love
Each night I hold my pillow tight, oh yeah
I'm thinkin' 'bout love
I'm cravin' your body close to mine
I'm thinkin' 'bout love
It doesn't matter what I do
I'm thinkin' 'bout love
'Cause all I think about is you, you
Yeah, yeah, yeah, yeah, baby
I've been told, our love won't last forever
There's no guarantee that we're gonna stay together, yeah
But I've got a feeling, that we can be the ones to make it
We wanna be
We wanna be
We're gonna be
We're gonna be

And I might be crazy, crazy, crazy
I'm thinkin' 'bout love
And every night, every night I just hold my pillow
I'm thinkin' 'bout love
I'm cravin' your body close to mine
I'm thinkin' 'bout love
Baby it doesn't matter what I do, no, no, no, ooh no
I'm thinkin' 'bout love
'Cause baby all I think about is you
I'm thinkin' 'bout love
Your love sweet love, oh yeah, yeah, yeah
I'm thinkin' 'bout love
Boy I'm so crazy about you
I'm thinkin' 'bout love
And it feels so nice, feels so nice, oh yeah
I'm thinkin' 'bout love
And I can't get you off of my mind
I'm thinkin' 'bout love, I'm thinkin' 'bout love
I'm thinkin' 'bout love, I'm thinkin' 'bout love
I'm thinkin' 'bout love, I'm thinkin' 'bout love
I'm thinkin' 'bout love, ah yeah, I'm thinkin' 'bout love
I'm thinkin' 'bout love, I'm thinkin' 'bout love
I'm thinkin' 'bout love, I'm thinkin' 'bout love
I'm thinkin' 'bout love and baby all I think about is you, you
