

# Every Time You Go Away

Paul Young

Hey!, if we can solve any problem  
Then why do we lose so many tears  
Oh, and so you go again  
When the leading man appears  
Always the same thing  
Can't you see, we've got everything goin' on and on and on Every time you go away you take a piece of me with  
you  
Every time you go away you take a piece of me with you Go on and go free, yeah  
Maybe you're too close to see  
I can feel your body move  
It doesn't mean that much to me  
I can't go on sayin' the same thing  
Just can't you see, we've got everything do you even know we know Every time you go away you take a piece  
of me with you, oh  
Every time you go away you take a piece of me with you I can't go on sayin' the same thing  
'Cause baby, can'tcha see, we've got everything goin' on and on and on Every time you go away you take a  
piece of me with you  
Every time you go away you take a piece of me with you Looking at the pieces (Every time you go away)  
Be careful (You take a piece of me with you)  
(Every time you go away) Every time you go, every time you go  
(You take a piece of me with you) You take a piece of me!  
(Every time you go away you take a piece of me with you) Every time you go!
