Fate in Motion

Soilwork

I'm facing a trauma, it's crawling inside
Don't walk that line, don't take that ride
Conclusions will show me the sweetest pain
Don't walk that line, don't take that ride...
What I can see now, I don't want anybody else to see
It doesn't matter somehow, what It does to meFeel how the journey's jut begun
Heading for disaster
Formed through the night and it's all mine...The game is easy to me to just play
It steals the day, it steals the day
Dividing the image in possible ways
It steals the day, it steals the day
And I can't move at all now
And I can't move at all now
What I can hear now, I don't want anybody else to hear
It doesn't matter somehow, what It does to meFeel how the journey's jut begun
Heading for disaster
Formed through the night and it's all mine...
