

# Sugar Blues

## Thin Lizzy

Now, I'm not the type to worry  
Especially if it's concerning my health  
Oh, no, I'd never worry  
I'd much rather do something else I'm changing my point of view  
Ever since I caught me the sugar blues Oh, that sugar  
It adds a little sweetness into your life  
Oh, sugar  
Won't you add a little sweetness to my life? You see I'm changing my point of view  
Ever since I caught me the sugar blues See I'm changing my point of view  
Ever since I caught me the sugar blues  
Yes, I'm changing my point of view  
Ever since I got me the sugar blues You see I'm changing my point of view  
Ever since I caught me  
Ever since I caught me the sugar blues Oh, yes  
I need me a sugar beet  
I'm not the type that would complain  
Just give me sugar cane  
Gimme, gimme, gimme, gimme  
Gimme, gimme, gimme, gimme
