

# Fucked With a Knife (Live - Party San 2005)

## Cannibal Corpse

No escape from your fate  
Destined to be mine  
Every night I want to see  
In the night, watching Stalking your every move  
I know when you're alone  
All alone Tied tight to the bed  
Legs spread open  
Bruised flesh, lacerations  
Skin stained with blood I'm the only one you love  
I feel her heart beating  
My knife deep inside  
Her crotch is bleeding She liked the way it felt inside her  
Fucking her, harder, harder  
She liked the way it felt inside her  
Fucking her, harder, harder Stick it in, rip the skin  
Carve and twist torn flesh  
From behind, I cut her crotch  
In her ass I stuck my cock  
Killing as I cum
