I Wish

Eisley

Ooh, oh, ooh, I wish
Ooh, oh, ooh, I wish
I walked into this life a lover
And I was carrying a deep hope for you
A little pack of fire
I watched you from afar, a blazing, burning star
I came alive, undesigned
The tree of life is what you are
Ooh, oh, ooh, I wish you felt this way
You'd say, oh, baby, it's not a gain
Ooh, oh, ooh, I wish you felt this way
You'd stay, you'd take the pain away
Will you stay? You take away the pain
So tell me, do you fear this?
'Cause you're not sure what's required
And do you hear this?
You're not expected to be forthright
You're so profound but you're not found
And if I could I'd just claim you
Ooh, oh, ooh, I wish you felt this way
You'd say, oh, baby, it's not a gain
Ooh, oh, ooh, I wish you felt this way
You'd stay, you'd take the pain away
Ah, you'd stay, you'd take away the pain
Ooh, oh, ooh, oh, ooh, oh, oh, I can't lie
Ooh, oh, ooh, oh, ooh, oh, oh, oh, oh, undesigned
Oh, oh, oh, you were designed, yeah
Ooh, oh, ooh
Ooh, oh, ooh, I wish
Ooh, oh, ooh, I wish
Ooh, oh, ooh, I wish
Ooh, oh, ooh, I wish
Ooh, oh, ooh, I wish you felt this way
You'd say, oh, baby, it's not a gain
Ooh, oh, ooh, I wish you felt this way
You'd say, oh, baby, it's not a gain
Oh, you'd stay, you take the pain away
Oh, you'd stay, take away the pain
