Love With Your Life

Hollyn

There's only so much you can say til words turn into noise and you go round and round again but people we were meant to blaze a life that's beautiful Ya we got so much love to give so don't look to the left or right you know that it just ain't worth the fight so don't look to the left or right L.O.V.E roles off the tongue sometimes the word is just not enough you got to dig a little dig a little deeper you've gotta love with your life like a fire burning strong til the night has come and gone there a hope that lives in you you've gotta love with your life like a warrior fights laying on the line do you want to see it change you've gotta love your life do you want to see it change you've gotta love with your life (you've gotta love with your) you crash into a brand new day the worlds up in your face they're gonna whisper in your ear so push them back you need your space to be somebody you've got so much more to give so don't look to the left or right (don't look to the left or right) you've gotta love with you life like a fire burning strong til the night has come and gone there hope that lives in you you've gotta love with your life like a warrior fight laying on the line if you wanna see it change youve gotta love with your life if you wanna see a change you've gotta love with your life (you've gotta love with your life) don't let it pass you bye everyday and night gotta love with your life everyday and night don't let it pass you bye every day and night you've gotta love with your life every day and night oh you've gotta love with your life (you've gotta love with your) like a warrior fight laying on the line if you wanna see it change oh you've gotta love with your life(you've gotta love with your life) wanna live the moment passing bye everyday and night wanna live the moment passing bye everyday and night
