

Stigmata

Ministry & Co-Conspirators

Stronger than reason
Stronger than lies
The only truth I know
Is the look in your eyes
... The look in your eyes Just like a car crash
Just like a knife
My favorite weapon
Is the look in your eyes
You've run out of lies
You've run out of lies
You've run out of lies
You've run out of lies
You've run out of lies
You've run out of lies
You've run out of lies
There's a ton locked in your empty eyes
Get out of my life I'm chewing on glass
And eating my fingers
I'm not the one
Who's run out of lies
Lies You've run out of lies
You've run out of lies
You've run out of lies
You've run out of lies
You've run out of time
Cutting my face
And walking on splinters
I lost my soul
To the look in your eyes
Your eyes You ran out of lies
You ran out of lies
You ran out of lies
You ran out of time Stigmata Oh, you have empty eyes, yes
Oh, you have empty eyes, yes
Oh, you have empty eyes, yes
Oh, you have empty eyes, yes
Oh, you have empty eyes, yes
Oh, you have empty eyes,

They tell me nothing, nothing but lies, yes

Yes
