

# Lonely

## Anderson East

I called just to hear your voice  
Didn't say I was sorry for leaving  
Wasn't ready for what you had to say  
But you still love me, and you're dying every day

Wouldn't be lonely if I crawled on back  
Wouldn't be lonely if I fixed the flaws I had  
Wouldn't be lonely if time would take us back  
Wouldn't be lonely, wouldn't be lonely cause of me

And I can feel the tension through the lines  
Your sighing says enough  
And I don't know why these words I chose between two roads  
Would even matter; Lord, I still can't let her go

Wouldn't be lonely if I crawled on back  
Wouldn't be lonely if I fixed the flaws I had  
Wouldn't be lonely if time would take us back  
Wouldn't be lonely, wouldn't be lonely, oh, because of me

So am I crazy for leaving?  
Am I crazy for stealing your heart away?

And no, I wouldn't be lonely if I would crawl on back  
Wouldn't be lonely if I fixed the flaws I had  
No, I wouldn't be lonely if time would take us back  
No, I wouldn't be lonely, I wouldn't be lonely cause of me  
Oh, because of me
