

# 4Am

## Hail Mary Mallon

I consider myself a daredevilIt's 4AM

It's 4AM

It's 4AM

It. it. it. it...

It's 4AM

It's 4AM

It's 4AM

It. it. it. it...4AM, short of breath

Patient zero, hoarding pets

Drinking his omelet

Timing his meds

Morphine drip

Get a fix to the flesh

Gripping the edge of the ledge

Of the place where he gets to be met

With the end of the day

Left of the face is a table, a tray

TV Guide with the guy from The Fray

Or maybe it's Clay

Anarchy's son

Regardless

The farewell party's begun

Party of one

You start in the breach

Birthing a burden

Shouldering me

In tonight

The rest of the rat fam

Round and round

Like the death of a Pacman

Life of a salesman

Hiding his text

John Wayne couldn't even stand

The rein of my ex

Later I'll just

Go with phone tag

'Til the court tells me "Sure"

Now I rode the broke back

Hold the stoge pack

Get with the fall  
With the beehive hair  
And the rest on his bald  
Head held high  
Family, no joke  
Grown folk broke  
At the antique roadshow  
Can't breathe right  
In his nose it bleeds  
In his wing, they singing ring  
Around the rosary  
It's 4AM  
It's 4AM  
It's 4AM  
It. it. it. it...  
It's 4AM  
It's 4AM  
It's 4AM  
It. it. it. it...It's 4AM, pouring sweat  
Patient zero, courting deathUse your illusion  
And move  
As a wounded gazelle  
On a moonlit  
Future in hell  
I'm a loser  
Room with a view  
To a stupor  
No real room  
To acutely maneuver  
A shoe  
Nevermind two  
In a sequence  
He get down  
To the root of the defect  
Peep  
Cruel is a pool full of deep ends  
Prove an immovable defense  
You in the beautiful breach  
Unusually moody  
And losing the beach head  
Rats in the wall  
Tap out drums  
An amassing of non-retractable claws  
This old man  
He play actual odds

On these detachable jaws  
Not for the fango  
Moshing the pain  
Cold dime in the day  
By impossible day  
Frog town creep  
In a sensible car  
No caution  
And arrived he  
A sense of tomorrow  
Spit shake  
Might steak or break the right  
Nicely  
Or instigate tonight's crises  
Sample the you scream, I scream  
Break if his eyes go widescreenIt's 4AM  
It's 4AM  
It's 4AM  
It. it. it. it...  
It's 4AM  
It's 4AM  
It's 4AM  
It. it. it. it...
