Hand In Your Head

Money Mark

One two, one two three fourYou could be my best friend
Sitting on the book ends
Look guy, you're just a king
You know you're missing somethingI've got my hand in your head
I've got my hand in your headI've read about you in books
Your kingdom's always full
And if you did know the truth
You wouldn't promise to tellI've got my hand in your head
I've got my hand in your head
I've got my hand in your head
I've got my hand in your head
I've got my hand in your head
And I'm pulling out all of your mindI waited for you to say
All the things that you think
And now that we're here alone
You can remember to blinkI've got my hand in your head
I've got my hand in your head
I've got my hand in your head
I've got my hand in your head
I've got my hand in your head
And I'm pulling out all of your mindYou could be my best friend
Sitting on the book ends
Look guy, you're just a king
You know you're missing somethingI've got my hand in your head
I've got my hand in your head
I've got my hand in your head
And I'm pulling out all of your mindAnd I'm pulling out all of your mind
And I'm pulling out all of your mind
And I'm pulling out all of your mind
And I'm pulling out all of your mind
