

# Hand In Your Head

## Money Mark

One two, one two three fourYou could be my best friend  
Sitting on the book ends  
Look guy, you're just a king  
You know you're missing somethingI've got my hand in your head  
I've got my hand in your headI've read about you in books  
Your kingdom's always full  
And if you did know the truth  
You wouldn't promise to tellI've got my hand in your head  
I've got my hand in your head  
And I'm pulling out all of your mindI waited for you to say  
All the things that you think  
And now that we're here alone  
You can remember to blinkI've got my hand in your head  
I've got my hand in your head  
And I'm pulling out all of your mindYou could be my best friend  
Sitting on the book ends  
Look guy, you're just a king  
You know you're missing somethingI've got my hand in your head  
I've got my hand in your head  
I've got my hand in your head  
And I'm pulling out all of your mindAnd I'm pulling out all of your mind  
And I'm pulling out all of your mind  
And I'm pulling out all of your mind  
And I'm pulling out all of your mind
