No Lotion For That

Ian Gillan

She was a rude girl baby
With a bye-bye notion of love
She gave no warning
Did a handbrake into my lifeIt's all too much for meShe said what's up
I said not much
We live, we die
You wanna stay in touchShe don't mean nothing to me
She set my spirit free
She's crawlin' up and down my back
And there ain't no lotion for thatWe got no money
So what we gonna do tonight
I'm well passed caring
We'll be staring at the walls all nightIt's all too much for a white boySHe said what's happenin'
I said what you got
She set me on fire, ha!
The woman is hotShe don't mean nothing to me
She set my body free
She's crawlin' up and down my back
And there ain't no lotion for thatWhen it's time to leave
She has to have another dance
It's fair to assume she got
Termites loose in her pantsIt's all too much pour moiShe said what's up
I said not much
We live, we die
You wanna stay in touchShe don't mean nothing to me
She set my spirit free
She's crawlin' up and down my back
And there ain't no lotion for that
