

# The Power of Love

## Jennifer Rush

Ahhh? Hmhmm?  
Dreams are like angels  
They keep bad at bay  
    Love is the light  
    Scaring darkness away  
I'm so in love with you  
    Make love your goal  
    The power of love  
    A force from above  
    Cleaning my soul  
    Flame on burn desire  
    Love with tongues of fire  
    Purge the soul  
    Make love your goal  
I'll protect you from the hooded claw  
    Keep the vampires from your door  
    When the chips are down I'll be around  
With my undying death-defying love for you  
    Envy will hurt itself  
    Let yourself be beautiful  
Sparkling light, flowers and pearls and pretty girls  
    Love is like an energy  
    Rushing in, rushing inside of me, hmm...

The power of love  
A force from above  
    Cleaning my soul  
    Flame on burn desire  
    Love with tongues of fire  
    Purge the soul  
    Make love your goal  
    This time we go sublime  
    Lovers entwined divine, divine  
    Love is danger, love is pleasure  
    Love is pure, the only treasure  
    I'm so in love with you  
    Make love your goal  
    The power of love  
    A force from above

Cleaning my soul  
The power of love  
A force from above  
A sky scraping dove  
Flame on burn desire  
Love with tongues of fire  
Purge the soul  
Make love your goal  
Make love your goal
